

EVEN SAVINGS EMBED INSTRUCTIONS

Partners have the ability to use the savings embed on their site(s). The savings embed can be placed anywhere on a partner’s page and can broaden the partner’s ability to monetize their users through the savings vertical.

The Savings Embed Experience for the User

- The user can filter offers at the top of the embed by the following:

Filters:

Recommended, APY, Minimums

Sort Parameters:

Recommended, APY, Minimums

- When the user clicks on the 'Open Account' button next to the savings offer, they are redirected to the offer page of the savings account provider to complete the onboarding process.

Toolkit

Currently, only one MPS iframe may be used per page.

SOURCE URL

Below is the Source URL for each product to place in an iframe 'src' attribute wherever the Loans embed will be displayed.

Savings Embed

```
https://embed.evenfinancial.com/ui/multi-product/index.  
html?available_products=deposits&access_token={TOKEN}&company_  
uuid={COMPANY}&partner={PARTNER}
```

The **TOKEN**, **COMPANY**, and **PARTNER** fields will be provided by the Even Partner Manager.

ADDITIONAL STYLINGS

Additional stylings can be made to the Savings Embed by appending query parameters to the Source URL.

Partners have the ability to add filters to the Product Types field by adding the 'productSubType' query parameter. The following filters are available:

- **Cash Management Account** - account with an SEC-registered broker dealer that allows your funds to be swept nightly to an interest bearing account at a federally insured depository institution.
- **Money Market Account** - savings and checking hybrid, allowing you to earn interest and use checks up to 6 times a month.
- **Savings Account** - traditional online savings account.

A decorative network diagram in the top right corner of the page, featuring a central node connected to several other nodes, with various icons like a person, a building, and a gear.

Disclaimer: Offers displayed may not be available to all partners.
